

## Letter of Guarantee

The undersigned certifies that of this date, to the best of his/her knowledge, the cattle under their authority have not been fed prohibited feed materials (ie: ruminant meat and bone meal) as defined by FDA CFR 589 2000.

Furthermore, none of the livestock (cattle/hogs/lamb/veal/goat) have an illegal level of drug residues.

It is understood that this is a continuing certificate that shall remain in effect until revoked in writing by the undersigned, and such revocation is delivered to Rhode Island Beef and Veal, Inc.

Note: FDA CFR 589 2000 requires ruminant feeders to keep records for all the feed they receive that contains animal products, whether or not the animal protein is prohibited material. Such records would include purchase invoices and labeling for all feeds containing animal protein products received. Copies of these records are to be made available to the FDA upon request.
